The TIP + You: What is it and why getting involved matters

The TIP is the regionally agreed-upon list of priority transportation projects that address the region's short-term needs while implementing the region's long-range vision. Projects include bicycle, pedestrian, and freight-related projects, as well as the more traditional highway and public transit projects. The Public Participation Task Force provides a public forum for attendees to access the regional planning and decision-making process. By participating in the PPTF meeting, you can get to know the purpose and process of TIP and how you can get involved.

Why is regional planning important? It is important because it helps shape the community around you. For this meeting, we would also like to provide more information about DBEs' participation in TIP.

Looking forward to having you in the meeting.

Want to learn more about regional transportation projects and get involved? Come take part in the [Public Participation Task Force's \(PPTF\) Transportation Improvement Program \(TIP\) public meeting on May 6th!](#)

[DVRPC's Transportation Improvement Program \(TIP\)](#) is the agreed-upon list of specific priority projects and is required for the region to receive and spend federal transportation funds. The TIP lists all projects that intend to use federal funds, along with non-federally funded projects that are regionally significant. The [Public Participation Task Force](#) provides a public forum for attendees to stay informed and engage with the regional planning and decision-making process. Through PPTF's meeting, you will have the opportunity to learn more about TIP and how you can participate at different stages.

This meeting will also give DBEs an insight into understanding the TIP funding and implementation process. DBE advocates and organizations are encouraged to attend and share with members alike. This meeting is hosted in collaboration with [US DOT Mid-Atlantic Region Small Business Transportation Resource Center \(MA-SBTRC\) operated by The Enterprise Center](#).

Join us at the next PPTF meeting on May 6th to learn more about TIP. RSVP via [Meeting Registration page](#).
