

Doing Business with PennDOT

August 25, 2021

10:00 a.m. – 11:30 a.m.

Webinar Description

Have you ever considered doing business with PennDOT? Join us as we host Kyalo Crosson - Project Coordinator, PA DBE Supportive Service Center at ProRank who will give an overview of the PennDOT Engineering & Construction Management System (ECMS). This webinar will be split in two sections. The first portion of the presentation is an overview intended to help participants become familiar with key concepts for doing business with PennDOT such as:

- Business Partner Registration
- Contractor Prequalification
- Contractors Portal
- Consultant Annual Qualifications Package (CQP)
- Consultants Portal

The second part of the webinar will discuss how to access the ProRank Academy, a self-paced online training portal. Content in the training academy expands on the basics of PennDOT vendor qualifications.
