

Building Bridges, Building Opportunities, Building Potential!

## PENNDOT PATHWAYS MAJOR BRIDGE P3 INITIATIVE

**Keystone Pathways Mobility Partners (KPMP)** is comprised of Cintra, Itinera Infrastructure & Concessions, Halmar International and North Tarrant Infrastructure, a Ferrovia Construction Company. This partnership brings together construction expertise and capabilities for managing large, complex projects.

KPMP invites diverse contractors and suppliers to learn more about potential opportunities to work with us on PennDOT’s upcoming Major Bridge P3 Initiative. This meeting will update you on the project, provide information for the available scopes of work and you will be able to meet key team members.

Firms that are certified as Disadvantaged Business Enterprises (DBE) or meet the certification criteria are highly encouraged to attend.
